As requested, attached is the Federal Aviation Administration (FAA) FY-2002 Annual Report on Energy Management. This report is a summary regarding FAA energy efficiency activities and plans as required by the National Energy Conservation Policy Act, as amended, and Executive Order 13123. Included in this report are the FY-2003 Implementation Plans, the FY-2002 Scorecard, and the FY-2002 Data Report.

If you have any questions about this information, please contact Ms. Brenda Howard on (202) 267-3563.
