

**Celebrate
America Recycles Day
Every Day!**

At Home...

When shopping, purchase products and packaging that contain recycled content. Many items are now available:

- | | |
|--------------------------------|-------------------------------|
| 4 Garbage bags | 4 Egg cartons |
| 4 Glass bottles & jars | 4 Greeting cards |
| 4 Toilet paper | 4 Napkins |
| 4 Writing and computer paper | 4 Shampoo & detergent bottles |
| 4 Coffee & juice in steel cans | 4 Coffee filters |

Recycled content products are available for outside your home too! (e.g., hoses, patio furniture, flower pots & playground equipment)

Look for product labels advertising "post consumer" recycled content. (These items contain material previously recycled.)

Ask local retailers to stock more products made with recycled content!

**"If You're Not Buying
Recycled, You're Not Really
Recycling!"**

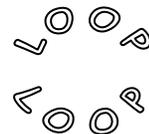

At Work...

When at work, ask for the following recycled content supplies, and help create a demand for recycled products:

- 4 Computer and photocopy paper with 30% recycled content,
- 4 Notepads,
- 4 Pens and pencils,
- 4 Rulers,
- 4 Sticky notes,
- 4 Rubber bands,
- 4 Envelopes, and
- 4 Three-ring binders

Encourage your cafeteria to start a recycling program - including buying products that contain recycled content, such as cups, food trays, and napkins.
